**SUPPLEMENTAL AMENDMENT CORRECTION**

Hon. Commissioner of Patents and Trademarks  
 Washington, D.C. 20231

Sir:

Please consider the supplemental amendment submitted by facsimile on 06/12/95 and dated of 06/10/95 as requesting to amend claims 1-11 and not mistakenly to amend claims 1-14 and insert new claims 15-18. Additionally, please consider in the same supplemental amendment that the left parenthesis for indicating the number of times claim 10 would be rewritten according to 37 C.F.R. 1.121 is single and not mistakenly double.

An affidavit showing some important results of the advantage of the invention to be equipped with a substantially elastic buffer has been mailed recorded delivery on 06/09/95.

Respectfully submitted

Philippe Berna
